

Food at the Barn (FAB)

Food at the Barn is a Box Hill ecumenical project that has been operating since 2000. Several local churches on a roster system provide a free two course lunch at the 'Barn' (Box Hill Baptist Church) every Wednesday for people in need. There are usually between 40 – 55 people who use this service each week. FAB also has a dedicated team of 5 people who offer pastoral support.

The FAB group fund raises during the year to cover the overheads of app \$2000 pa plus any new equipment that is needed. The FAB group are involved with the Whitehorse Community Chest doorknock and letterbox drop for fundraising. Each Church funds their own rostered meals which is between \$120- 150 per week or \$3 per head app.
